

EDUCATION

B.Tech, Computer Science

Raj Kumar Goel Institute Of Technology
2018 - 2022

POSITIONS OF RESPONSIBILITY

3rd-year student of B.tech, I have participated in Hackathon events many times, through many colleges and I led my team. along with I compete in coding events from other colleges like IIT ROOKIE, IIT KANPUR, SHARDA UNIV, Ipac college and led my team.

TRAININGS

Machine Learning

udemy, Online

Apr 2021 - Present

This course about Machine learning and in past I complete my Django or Flask courses.

PROJECTS

E-commerce website with Django

Dec 2020 - Jan 2021

<https://github.com/nitin844/django-E-commerce-website>

E-commerce website with Django technology.

corona virus solution challenge

May 2020 - May 2020

<https://github.com/nitin844/nitin844>

This project is one of my favourite projects because this project is done through ML or Web backend technology stack.
and I made many projects with Django or ML tech.
